

Fishing

⇒ The Albarine River : paradise of the fishermen

The 17-kilometer-long Albarine river, with its top quality waters and its three tributaries is an enchanting place which will prove equal to your expectations. Like all rivers in the Jura mountain, its hard and cristalline water is overflowing with trout, grayling, minnow and blageon.

⇒ The new lake of the Cascade in Chaley

In Chaley, a wonderfull place for fishing in family.

⇒ The pond of Buynand

Situated on the edge of the village of Evosges, it's the ideal place for the fisherman who comes with his family (accessible place, picnic area).

You can find all the fish species there : carp, tench, pike, perch, roach,...

⇒ The Lake of the Hôpitaux

Situated about 10 kilometers from St Rambert in a superb natural setting, the Lake of Les Hôpitaux is the meeting place of the fishermen.

Realm of the Pike, you can also find here many species : roach, tench, perch, bream...

> Prices and the list of the points of sale of fishing permits is available at the Tourist Office.
